PROSPECTUS 2021

GOVERNMENT DEGREE COLLEGE
GUREZ-193503 KASHMIR

Principal's Desk

Dear Students,

Before filling up the admission forms please give a thought to the college education scenario as is prevalent at the global and national level. You shall come to realise that there is absolutely no room for mediocrity and half-hearted efforts in this academic pursuit. Students as do not have percentage of marks in upper nineties at the plus two level cannot even dream of admission to the college of education at the quality institutions of the country. In this background we must consider ourselves lucky that our Government has been able to provide the facility of free college education to virtually each and every aspirant. We have to make an honest, focused and meaningful use of this facility.

Our collective resolve to move on has helped us to make historical strides. We have been able to introduce Science Stream ,skill courses like Food Technology and processing, Industrial skills and the undergraduate level. We are gearing up for accreditation of our college by the NAAC. Other student facilities as well are witnessing good augmentation and up gradation.

I welcome you to the Government Degree College Gurez and wish you well in your academic pursuits and at the same time I would advise you to work towards enhancing the esteem of this college. You shall find your teachers and other staff members always ready to guide and assist you on the path of your academic pursuits and overall personality development.
